The Orono Agricultural Society is a "Not for Profit" organization, established in 1852. The Society prides itself in hosting family oriented agricultural events and entertainment.

In 2017, we hosted another successful President's Dinner to raise funds for our Agricultural Education Program, followed by our second Weekend of Wreckage with our partners, Impact Motorsports. The Weekend of Wreckage was a huge success and ranked #7, for the top Derby's in North America. Unfortunately, this event has been cancelled indefinitely. Impact Motorsports has decided to take a break from providing this type of entertainment and focus on more family time.

Plans are underway for another great fair that includes the celebrating of our 166th anniversary in conjunction with Canada's 151st birthday.

Our Society is organized and run by a group of dedicated hardworking volunteers. Events like these are not possible without the generous support from corporate sponsors and individual donors like you. The Orono Agricultural Society appreciates and recognizes the support it receives to make these events possible and we would like to thank you again for your generous contributions in the past.

Now more than ever your support is welcomed and very much appreciated! Please contact us to discuss sponsorship options to support the Orono Agricultural Society and its activities for the community.

Thanking you in advance.

A Brief Description of Events:

Presidents Dinner, April 28th, 2018

Our 5th annual exclusive event attracted over 200 guests in 2017 which were entertained to live music supplied by the "Charles Street Band". The "Kendal Lion's Club" generously provided a delicious roast beef dinner. Included with your ticket, you were automatically entered into the elimination draw for a chance to win 3 cash prizes and passes to our local fair. 2018's President's Dinner was held on Saturday April 28th, 2018 and was a sold out and very successful event!

166th Orono Fair, September 6th – 9th, 2018

The Orono Fair will once again return to the fairgrounds this September. After attracting 38,000 people despite the weather issues faced this past year. Fair goers were treated to the old favourites, Homeniuk Amusements & Midway, Truck & Tractor Pull, Demolition Derby and much more. Education is a strong component of the fair and our visitors were treated throughout the grounds with interactive learning regarding agriculture, where their food comes from and how it is produced. Over that last several years the Orono Agricultural Society has hosted a Friday evening concert on our fair grounds. Our concert committee works hard to search for CCMA's that will perform a standout show and last year was no exception. We had a great turn out for Gord Bamford. This year we are beyond excited to have James Barker Band with opener Jesse Slack on Friday September 7th.
