

Orono Agricultural Society Vendor Application Information Package

The Orono Agricultural Society is proud to present the 166th Annual Orono Fair on September 6-9, 2018. It is an event that is enjoyed by young and old alike with our attendance usually reaching approximately 35 – 40 thousand people over the course of the four days. Located within an hour of Toronto, we attract a vast array of visitors over the four days. The Orono Fair is a great opportunity to promote and sell specialty products and food, or the latest in consumer goods and services.

We offer indoor and outdoor space to our vendors depending on their needs and requirements. Optional hydro hookups are available to all vendors.

OAS offers to its vendors the option of passes to enter into the fair throughout the weekend. These options will be communicated to successful vendors upon acceptance of your application.

The OAS reserves the right to limit similar type products from appearing at the fair as well as products that may cause harm or offend our fair goers. All vendors' space is offered on a first come/first serve basis, with the OAS reserving the right to accept or deny any vendor application.

To obtain more information regarding Vendor space and requirements at the Orono fair, please contact the fair office at:
