To our valued members, volunteers, sponsors, fair patrons, vendors, friends and family of the Orono Fair,

During this time of uncertainty and rapidly changing threat of COVID-19 it is with heavy hearts that we are writing to inform you of the cancellation of the 2020, 168th Orono Fair on Sept 10th-13th. This decision has been one of the most difficult ones our board of directors has had to make. Though not an easy choice to make the safety and well-being of our members, volunteers and fair patrons is of utmost importance for us.

While we are heart broken writing this, we know that the Orono Agricultural Society has weathered challenging times before and we will get through this as well. Please be assured this is not the end for the Orono fair.

We look forward to the 2021 Orono Fair on September 9th-12th. We can't wait to catch up and celebrate two years worth of fairs with everyone.

Thank you all for your understanding and continued support

We wish you and your loved one's health, wellness and safety during these difficult times

Sincerely,

Orono Agricultural Society's board of directors

Shelby Dillon

President
